Index for 1957

This index of NEW LEADER articles for 1957 is divided into three sections:

Section 1, Index of Authors, lists the names of all NEW LEADER contributors, whether writers of articles, book reviews, or significant letters to the Editor. The name of the contributor is followed by the dates on which his contributions appeared, given by month and day (5/6 is May 6).

Section 2, Index of Subjects, arranges articles, columns and letters to the Editor according to subject. Under each are listed the relevant titles, authors and dates.

Section 3, Index of Books Reviewed, lists books alphabetically according to the names of their authors. The author of the book is listed first, then its title, then the name of the reviewer and date of the review.

Example: Shakespeare, William: *Romeo and Juliet.* (Charles Lamb) 5/6
